## PROFILE

A highly skilled UI/UX and Web Designer with over 6 years of experience in the IT sector. Proven expertise in HTML, CSS, jQuery, JavaScript, Bootstrap, Photoshop, Illustrator, Figma, XD, Corel Draw, and WordPress. Successfully led design teams, developed innovative web and product designs, and significantly improved user experiences. Adept at wireframing, prototyping, and delivering high-quality, user-centered designs.

## EMPLOYMENT HISTORY

### UI/UX and Web Designer, Kadam Technologies Pvt. Ltd.

Jaipur

Jan 2021 — Jun 2024

- Led a team of designers to deliver high-quality, user-centric web and mobile app designs.
- Spearheaded multiple projects, resulting in a 30% increase in user engagement and satisfaction.
- Developed wireframes, prototypes, and visual designs using tools like Figma, XD, and Illustrator.
- Collaborated with cross-functional teams to ensure seamless integration of design and functionality.
- Implemented user feedback and usability testing to enhance product performance and user experience.
- Played a key role in mentoring junior designers and fostering a collaborative team environment.

### Web Designer, Huriyasoft Studios (opc) Private Limited

Jaipur

Nov 2018 — Nov 2020

- Designed and developed responsive websites, ensuring compatibility across various devices and browsers.
- Utilized HTML, CSS, jQuery, and JavaScript to create dynamic and interactive web pages.
- Worked closely with clients to understand their requirements and deliver customized design solutions.
- Managed multiple projects simultaneously, meeting deadlines and maintaining high-quality standards.
- Contributed to improving the company's web presence, resulting in increased traffic and user engagement.

### Web Designer, Techoxa Technology Pvt. Ltd.

Jaipur

Mar 2018 — Nov 2018

- Created visually appealing and user-friendly websites, enhancing the overall user experience.
- Implemented design changes based on client feedback and usability testing results.

- Collaborated with developers to ensure seamless integration of design elements and functionality.
- Worked on projects involving WordPress, providing clients with easy-to-manage content management systems.
- Gained valuable experience in graphic design, further enhancing web design projects.
